**STATEMENT FILED PURSUANT TO THE DUTY OF  
DISCLOSURE UNDER 37 C.F.R. §§1.56, 1.97 AND 1.98**

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. §§1.56, 1.97 and 1.98, the applicant requests consideration of this information disclosure statement.

**Compliance with 37 C.F.R. §1.97**

This information disclosure statement has been filed more than three months after the filing date of this application and after the mailing date of the first office action, but before the mailing date of either a final action under 37 C.F.R. §1.113 or a notice of allowance under 37 C.F.R. §1.311. The fee of \$180 as set forth in 37 C.F.R. §1.17(p) is enclosed.

**Information Cited**

The applicant hereby makes of record in the above-identified application the information listed on the attached form PTO-1449 (modified). The order of presentation of the references should not be construed as an indication of the relative importance of the references.

**Explanation of Non-English Language References and  
Remarks Concerning Other Information Cited**

The following is a concise explanation of the relevance of each non-English language reference listed on the attached form PTO-1449 (modified):

**DE 197 03 482 A1** is a German language document and a Derwent English language abstract is provided.

**DE 296 19 029 U1** is a German language document and an English language translation is provided.

**FR 1278695** is a French language document. An English language translation is provided.

**FR 1514319** is a French language document. No Derwent English abstract is available.

**FR 2 725 615-A1** is a French language document and a Derwent English abstract is provided.

**RU 2026640** is a Russian language document and a Derwent English language abstract is provided.

**RU 2063179** is a Russian language document and a Derwent English language abstract is provided.

**Remarks**

A copy of each of the above-identified information is enclosed unless otherwise indicated on the attached form PTO-1449 (modified). It is respectfully requested that:

- The examiner consider completely the cited information, along with any

other information, in reaching a determination concerning the patentability of the present claims;

- The enclosed form PTO-1449 be signed by the examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application;
- The citations for the information be printed on any patent which issues from this application.

By submitting this information disclosure statement, the applicant makes no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

By submitting this information disclosure statement, the applicant makes no representation that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

By submitting this information disclosure statement, the applicant makes no representation that the information cited in the statement is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102.

It is understood by applicant that the foregoing information will be considered and, to the extent deemed appropriate by the examiner, will be reflected in the examiner's communication.

Respectfully submitted,
